Saturday, May 2, 2020 | 10:00am-4:00pm | Kohlmann Park, Waverly, Iowa**

Dear Waverly Community Member:

May 2, 2020, marks the 15th annual Art Walk, Waverly’s juried fine arts and crafts show. Art Walk has brought more than 150 individual Midwestern artists over the years to Kohlmann Park, providing an event to elevate the arts, enhance the artistic and cultural offerings to the citizens of Waverly and surrounding communities, and increase tourism for the City of Waverly.

Art Walk is organized by a dedicated group of volunteers and co-sponsored by the Waverly Chamber of Commerce and Waverly Leisure Services, who provide administrative and park facility support. Art Walk is mostly self-funded through artist registration fees, however, we are asking for your support to continue to enhance the show in the following areas:

- Increase awareness through publicity in Waverly and surrounding communities.
- Provide musical entertainment.
- Enhance kids’ art activities.
- Increase general funds to offset mailing, printing and other event related costs.

As a supporter of Art Walk, your name will be published on our Facebook page, event signage, and program (please provide permission below). With your support, we hope to make this 15th year of Art Walk a standout year for both the participating artists and the Waverly community!
