An appeal stays all proceedings in furtherance of the action appealed from, unless the director of the department from which the appeal is taken, or the administrator certifies to the Board of Adjustment, after the notice of appeal shall have been filed with such director, that by reason of facts stated in the certificate a stay would in the administrative officer's opinion cause imminent peril to life or property. - e. Appeal Powers. The board shall have the following powers:

The Clerk shall deliver certified copies of such opinion to the aggrieved person, the Administrator and the Planning and Zoning Commission.
- i. Effective Dates of Variance. Any variance granted by the Board of Adjustments shall take effect 15 days following filing of the Board's decision with the City Clerk. A variance shall remain effective and a building permit may be issued in conformance therewith for a period of one year from October 1, 1994, or one year from the filing of the Board's decision whichever date is later.
- j. Appeal to City Council. The City Administrator, the Zoning Administrator and Zoning Commission, or any person aggrieved by any final decision of the Board of Adjustment may appeal such decision of the Board to the City Council for review.
