Join us for

JACK-O-LANTERN NIGHT

WAVERLY'S DOWNTOWN TRICK OR TREAT

Fall is here which means, Waverly's Jack-O-Lantern Night will be here before we know it! Get ready for the little ghost and goblins of Waverly to roam Bremer Avenue with bags of goodies in hand. Jack-O-Lantern Night, Waverly's downtown trick-or-treat, will take place Thursday, October 28th from 6:00-7:30pm.

Merchants may pass out any treats they choose, but we do ask that you distribute treats outside your door if possible, to avoid traffic jams. In past years we've told businesses to plan for 750-1,000 kids depending on the weather. That said, the amount of candy you choose to handout is entirely up to you.

Jack-O-Lantern Night is always a fun night in our downtown district, so we hope you will continue to support this community tradition which proves successful year after year. The Waverly Chamber enjoys helping promote and put on this event but without you, the Waverly Businesses, this event would not be possible.

THANK YOU!
