

Informal Council Discussion
July 18, 2005

Due to a lack of a quorum an official Council Meeting was not held.

Mayor Ackerman and Councilmembers Kramer, Ecker and Boorum worked with Administrator Crayne and reviewed what values, qualities, skills and experience a new Police Chief should possess.

Members present also discussed Board Meeting minutes and the fees listed on the Building Trades Permit Monthly Report.

Mayor Ackerman asked if there were any comments from the audience. Staff informed an audience member account numbers for each department's expenses are listed on the checks and that the City's debt schedule includes twenty-four outstanding bond issues.
