**G. CITY COUNCIL COMMENTS ON POLICY ISSUES.**

- The new “Safe Routes to Schools” program will begin with the new school year.  
 Maps will be available at the schools.
- 2<sup>nd</sup> Avenue SW Reconstruction is scheduled for tentative completion by the end of the week.

- 4-way stops at the intersection 4<sup>th</sup> Avenue SW and 16<sup>th</sup> Street SW will have painting completed for additional parking restrictions.
- Construction will begin the week of August 22<sup>nd</sup> on 10<sup>th</sup> Avenue SW sidewalks. The retaining wall portion of it will require the west bound be closed. It will be one-lane traffic with a traffic light to direct traffic. The project could take up to 6 weeks to complete.
- In accordance with the 2009 Traffic Light Manual all the street signage and markings have to be a larger size and both upper and lower case words will be used. This method is intended to be phased in as old signage is replaced with new. The new traffic lights at 16<sup>th</sup> Street SW and Bremer Avenue and at Oakridge Circle and Technology place meet guidelines.
- Congratulations to the Waverly Police Department for a successful "National Night Out".

**H. ADJOURNMENT.**
