Item	Discussion/Notes	Action
I. Meeting called to order	Called to order by Vallem at 11:36 a.m.	
II. Interview Candidate for Position of CEO (Closed session if requested by candidate)	Vallem reported that the candidate has requested in writing to be interviewed in closed session. Members of the committee believe that a closed session is necessary to evaluate the professional competency of the candidate. Given the nature of these proceedings, the closed session is necessary to prevent needless and irreparable injury to the candidate's reputations. A motion was made to enter into closed session at 11:37 a.m. pursuant to Iowa Code Section 21.5(1)(i),	1st - Seward 2nd - Johnston Unanimously Approved
III. Open Session	A motion was made to return to open session at 12:15 p.m.	1st - Johnston 2nd - Seward Unanimously Approved
