

What are some of the ways in which Waverly may be compensated for loss of historic resources? What kinds of projects might be possible with FEMA funding?

- Full documentation of properties potentially individually NRHP-eligible (National Register of Historic Places eligible)
- NRHP district nominations
- Publication of the history of Waverly historic districts
- Educational seminars on flood preparation
- Educational seminars on repairing historic homes
- Educational seminars on how to nominate a property to the NRHP
- Architectural salvage from historic buyout homes
- Moving of historic buyout homes
- Funds for renovation of the Ira Sturdevant home as an historic structure
- Historical survey of downtown
- Help for historic homeowners to go back to original windows
- Preservation measures for future flooding
