Old Business

There was no new development on storage building.

Sheriff Hildebrandt reported that the CodeRed all call test that was done by CodeRed on Thursday, May 5 went well with a minimal number of calls from citizens with concerns. Two people emailed or called requesting to have their numbers removed from the system which was done. Our connection was 70.53% for this test and CodeRed learned that they could bump up the speed on delivery since this test indicated the local phone companies could handle a faster rate or calling. The next step in this process will be to run Validata which will be run the week of May 17th to determine any phone numbers that are not in service. Mrs. Olsen asked about the numbers where people move away during the year and how that number gets removed. Mrs. Olsen also asked if this all call test could be run more often and/or if there would be a charge for this service. Sheriff Hildebrandt will have to check on this.

Sheriff Hildebrandt submitted a quote for additional phones for the officer work areas in the building which the board had authorized. Mr. Reuter moved to approve, 2nd by Mr. Kammeyer. All present voted aye; motion carried.
