

CITY OF  
**WAVERLY** Monthly Minute

## Sledding Hill

When there is a good accumulation of snow, the sledding hill opens at the Waverly Municipal Golf Course, Hole 1. Please watch for open or closed signs at the hill. If the hill is open, feel free to enjoy some good family fun.

## CITY TREE TRIMMING

The City of Waverly Leisure Services and Public Services staff are currently trimming trees in the City right-of-way for clearance.

This will continue over the next several months. Crews are working in District 4 in the Northwest area of the City. The map can be found on the City of Waverly website at <http://www.waverlyia.com/leisure-services/departments/vegetation-management/tree-trimming/default.aspx>

Any tree hanging over the sidewalk or street will be trimmed in accordance to the Waverly City Code which states: "Trees should be trimmed so that all branches will be at least (16) feet above the surface of the street and at least (8) eight feet above the sidewalks." Trees that are on private property are also covered by the same City code in terms of clearance. Please have vehicles removed from under the trees during this time. Thank you for your cooperation.

If you have questions regarding this process contact Leisure Services at 352-6263.

## Leisure Services Commission UPDATES

In December 2021, Jim Carver's term on the Leisure Services Commission ended and he chose to not be re-appointed. We are thankful to Jim for his dedicated service to the commission through the years. Beginning in January of 2022, the commission welcomed Sonja Bodine as a new Commission member.

Send order forms and payment to Waverly Trees Forever, 200 1st St. NE, P.O. Box 616, Waverly Iowa. Checks payable to "Waverly Trees Forever".

# EASTGATE PARK

CITY OF  
WAVERLY

**Did you know that Waverly has 21 parks, 12 of which have play equipment?** We take pride in providing a

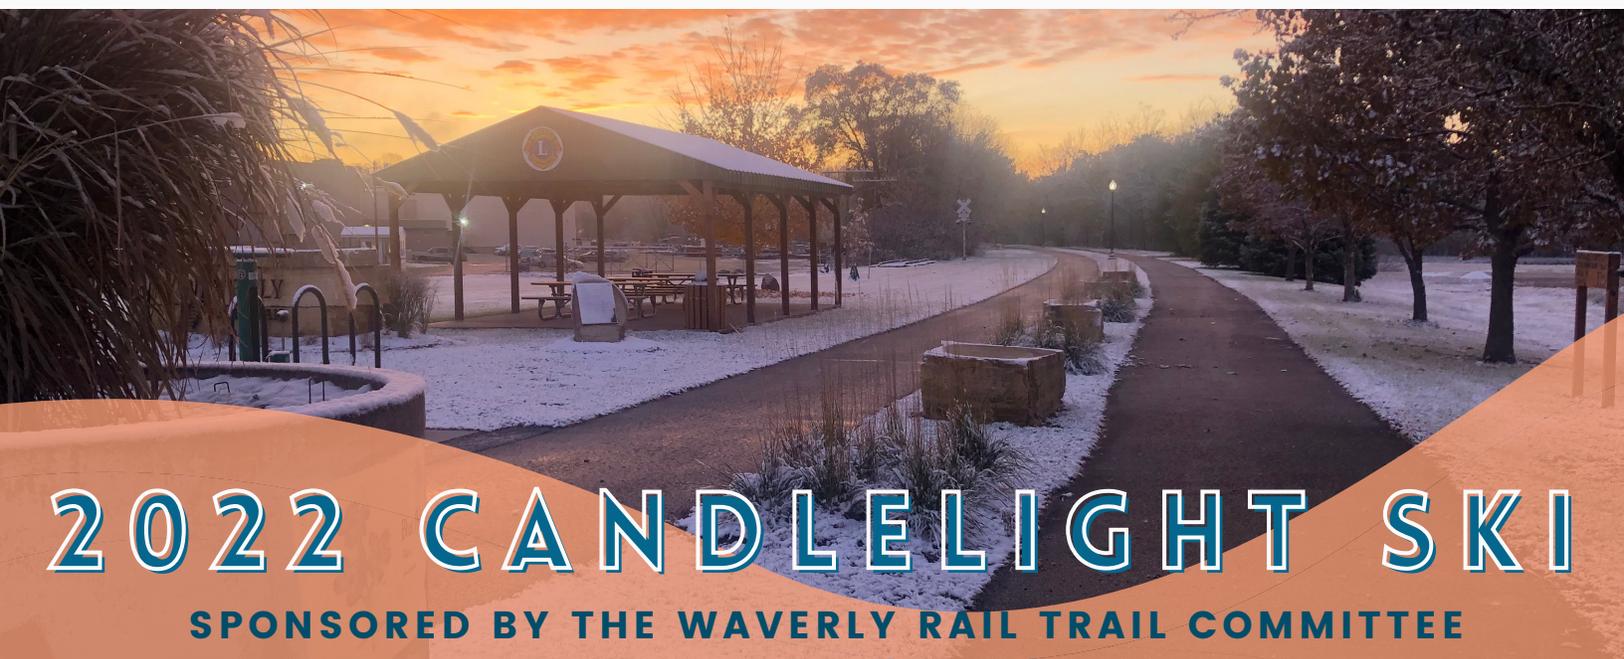

place to play in almost every neighborhood.

Eastgate Park is located in the Northeast corner of the Eastgate Subdivision. **Fun fact**, this park land was once a lagoon. It was developed into a park in 1987. The park features a play unit, basketball court and a unique waterway connecting the two sides of the area.

Eastgate park will be one of 15 parks in Waverly to get a new sign in the spring. Some have already been installed the remaining will be finished when the snow melts.

Along with these new signs will be updated landscaping.

**Take a tour of the parks and find great places to play with our new Parks QR Code!**
