

Waverly Trees Forever
Thursday, March 12, 2015, 5:30
City Hall

Present: Tab Ray, Mike Litterer, Brad Schmidt, Bill Ellinger, Duane Schwickerath, Jim Anderson

1. Tree Training – Clarksville Library has a class on March 19th at 7 PM, “Replanting Trees in Challenging Times”
2. Waverly Light and Power Report – Presenting the annual report to the Waverly Light and Power Board of Trustees on March 17th.
3. Tree Sale – Sold 211 Trees, 40 are for Trees Forever, Golf Course has 6 and Wartburg 3
4. Tree Removal – Tab wanted to thank WLP for help in removing Ash Trees this year
5. Downtown Trees – City crews will be removing the stumps downtown next week. 49 trees will be planted/replaced this year with a Fall Tree Planting with the help of Rotary.
6. Veterans building project will be next year
7. The Berm Tree planting at 7th Ave NW and 12th Street will be May 6th with help from students.
8. WLP substation should be ready for trees this spring, Brad is coordinating this project.
9. The new Cedar River Parkway will need some trees once it is complete.
10. St Paul’s Church will need some trees as well this fall if construction is complete. Approximately 30 trees requested but we will need to see a planting plan, not sure where the trees will be planted.
11. Next meeting – will be in April.
