LIMITED ACCESS POLICY

The Waverly Public Library wishes to serve all members of the community in a safe environment. Toward that end, the library provides 24 hour on-line service seven days a week.

Chapter 692A of Subtitle 1 of Title 16 of the Code of Iowa prohibits the presence on library property of sex offenders convicted of sex offenses against minors. The law also prohibits sex offenders convicted of sex offenses against minors from loitering within 300 feet of libraries, schools, and daycare centers. Exceptions, as described in the code, cannot be granted because a school and a childcare center are adjacent to the library.

Violations of this policy will be reported immediately to the appropriate law enforcement agency.

Persons barred from library property under the law remain entitled to library services. These persons may make arrangements to select, check out, and return materials to the library by giving their library card to a courier who can use it at the library for them.
