

AUGUST 2020

CURRENT WAVERLY PUBLIC LIBRARY SERVICES

BROWSING HOURS & COMPUTER APPOINTMENTS

Reserved one-hour time slots to come into the library, browse, and check out items are now available. Computer access is also available by appointment, and our WiFi can be accessed from the garden and parking lot 24/7.

DRIVE-THROUGH PICK UP & DELIVERY

Call ahead with a list of up to ten items you'd like to check out, and staff will have them ready for pick up through the drive-through window the following business day. Staff are also available to deliver your order to your front door. If you don't know what you'd like, just tell us your interests, and we will make up a custom bundle for you.

BOOKS, MOVIES, AND MORE ONLINE

The library has a large collection of digital books, audiobooks, magazines, and more available through the Libby app. We also have many other online collections, including Kanopy, a movie and documentary streaming site.

ONLINE PROGRAMS & ACTIVITY KITS

We just finished up our first-ever online Summer Program, and we are using the same platform, Beanstack, to make other fun reading challenges periodically. Ready-made activity kits for kids of all ages are available through the drive-through window and are new each Monday.

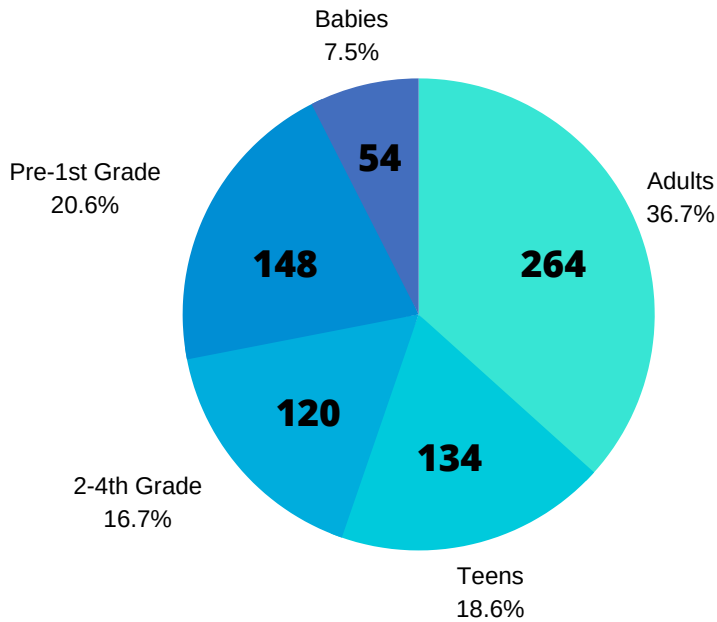

REGULAR SERVICES

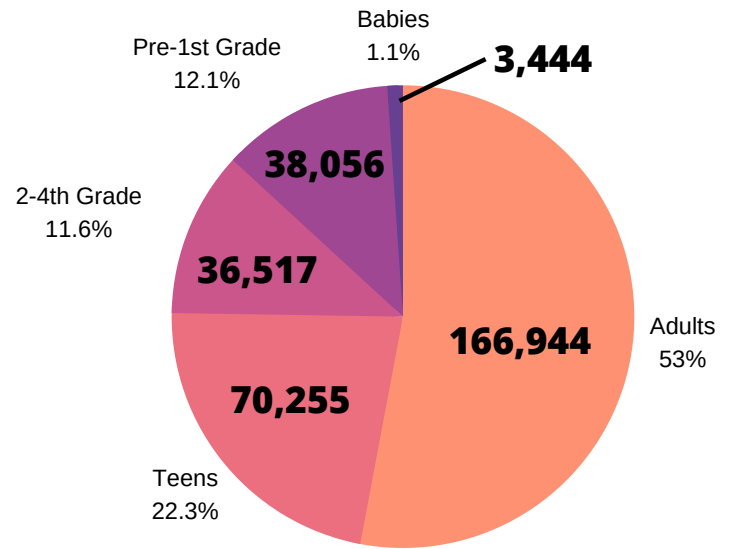

WPL staff are available during operating hours to answer reference questions and assist with access to our online resources. Faxing and simple printing can be completed in the drive-through. If you need something you don't see listed, let us know! We'll see how we can help.
