

JANUARY 2020

FINE FREE

Have you heard the good news?
The Cedar Falls and Waterloo Public Libraries are fine free as of January 1! We are so excited to see other area libraries eliminate fines to better serve the public! The Waverly Public Library made the move to fine free this past June, and we have received so much positive feedback about the change. Help us spread the word!

WPL BOOK CLUBS

If you're looking to read more in 2020, check out what your WPL has to offer for book clubs that can keep you on track! If you're an adult who likes to read young adult fiction, the Read 'til YA Drop Book Club is for you. This group meets on the fourth Tuesday of the month at 6:30 PM. If your busy schedule keeps you stretched thin, find our "Too Busy for Book Club" on Facebook. This club takes place exclusively online, with WPL librarians picking out each month's book and posting discussion questions on the Facebook page. If you or someone you know is an adult with an intellectual or developmental disability, join us for Next Chapter Book Club from 10:30-11:15 AM on the first and third Mondays of each month. If you love a good mystery, you'll enjoy the Mysteries and Munchies group that meets on the second Sunday of the month at 1:30 PM. Let's get reading this year!
