

JANUARY 2021

Happy New Year!

NON-FICTION BOOK CLUB

Thursday, January 14 at 7 PM
Zoom Meeting (link to come)

This brand new book club will explore a different non-fiction title each month. The selection for the January discussion (our very first meeting!) is "The Hidden Life of Trees" by Peter Wohlleben. Books are available for checkout through the drive-up window. Whether you already love non-fiction or have never read it, we hope you will join us! The Zoom link will be posted on the website event page closer to the date.

FRIENDS OF THE LIBRARY ANNUAL MEETING

The Friends of the Library would like to invite all members of the public to their annual meeting. This is a great opportunity to virtually meet current Friends members and learn more about what the organization does to support the library. The link for the meeting is zoom.us/j/95720910405 and we hope to see you there!
