

AUGUST 2022

**THANK YOU FOR A WONDERFUL SUMMER PROGRAM!**

We'd like to thank everyone who joined us for a program, participated online, or offered kind words throughout the season. Our special thanks go out to Friends of the Waverly Public Library for their constant support, without which none of this would be possible. To learn more about the Friends organization and how you can make education and entertainment possible for all ages at the library, visit [www.waverlyia.com/library/friends](http://www.waverlyia.com/library/friends).

## BACK TO SCHOOL STORYTIME

Tuesday, August 9 at 10 AM

This very-special storytime will take place on a school bus! Get your littles excited for school with stories, rhymes, songs, and more. This storytime is geared toward children ages 3 to 5, but all ages are welcome to join.

## FRIENDS OF THE WAVERLY PUBLIC LIBRARY

It's getting close - back to school time! This fall Friends of the Library will again support the Waverly Public Library's donation of a book to every student entering kindergarten. And we're hoping to resume providing transportation for students from their schools to the library. This is all made possible by people like you who support Friends with book and material donations and monetary contributions. Thanks to all of you!

## TECHNOLOGY LESSONS

The library is back to offering individual technology lessons! These are open to all ages and skill levels. Use one of the library's devices or bring your own. You'll be operating the device, and librarians will walk you through tasks and challenges. Sign-up is required; contact the library for more information and to reserve a slot.
