## A NOTE FROM THE FRIENDS OF THE WPL

# THANK YOU

Another Look is full of great bargains – especially in Children's, Youth and Young Adult selections. Used book sales started in the old library – one or two days a year someone on the staff would put together a stack of books to sell. When the move to the new library was made in 1998, Another Look was set up – Friends of the Library volunteers would staff the room on Saturday mornings. It was considered a great success during those initial years to collect \$25.00. Today, Another Look is open during the library's hours and the financial contribution it has provided for the library this summer has increased to several hundred dollars a month. Thank you to all those who donate and all those who buy.

## DICE & PIZZA

Monday, Sept. 19 from 5-7:30 PM

Teens, join us for this one-shot RPG session with Zack! We'll eat pizza and work our way through a custom RPG. No experience is required to participate. Open to ages 13+. Registration is required.

## VIRTUAL STORYTIME ROOM

Wow, what isn't back?! We are so excited to invite you to back to our Virtual Storytime Room! Follow the link in the newsletter email to enter the room, and click on things around the room to see stories, scarf songs, seasonal book suggestions, and more. We will be changing out content periodically, so keep checking back for more fun!

## SPICE CLUB

Spice Club...is also back! Swing by the library, either inside or in the drive-up window, to grab a packet containing that month's featured spice along with recipes and information. Kits are available first come, first served and they go fast!
