

2023 Waverly Public Library

CHILDREN'S SUMMER CHALLENGE

Alternate Activities!

These replace certain activities in the challenge that require use of a computer or access to the Internet.

- **Week 3 Activity (Angel Falls):** Check out and read a book that features a character or story from another part of the world. Ask a librarian if you need a suggestion!
- **Week 6 Activity (Koala):** Try learning a phrase or two in a different language. Check the library for books that can help with this!

Progress Updates!

If you are **not** using Beanstack to log your progress this summer, please let us know when you come in to get your passport stamps! We can enter your achievements into Beanstack for you so you still earn prize tickets to enter into prize pack drawings. Just let us know you're an offline reader and tell us which prize packs you'd like to put your tickets towards. (See reverse.)
