# THE WAVERLY POLICE DEPARTMENT

## Letter from the Chief of Police:

TO: Mayor Adam Hoffman  
Members of the Waverly City Council  
Citizens of the City of Waverly

On behalf of the sworn officers and civilian support staff who collectively serve our community, it is once again my honor and privilege to share this report. The 2019-2020 Annual Report reflects the hard work, outstanding accomplishments and professional services provided by the men and women of this agency.

Within this report you will find comprehensive information and statistics related to the Waverly Police Department. I believe the report accurately reflects how the Department is organized to protect and serve our citizens and moreover, shows an incredible work ethic and commitment to maintaining a safe place to live, learn, work and play.

As I look back on the previous year, I find myself reflecting on a very busy and challenging year for many of us. One of the more challenging moments was the passing of retired Chief Arthur Simpson on October 22, 2019. Arthur Simpson was a dedicated individual who served the citizens of Waverly for 27 years as the Chief of Police and had over 40 years of combined law enforcement/military service. Arthur Simpson lived, full of enthusiasm, for his family, friends and fellow officers.

In 1868, H.S. Halbert was hired as the first Marshal/Chief for the City of Waverly. Chief Arthur Simpson served as the 34<sup>th</sup> Chief of Police for the City of Waverly. The current average time in office for all chief's that have worked for Waverly is just 4 years. Chief Simpson is the longest serving Chief, blowing that average out, with 27 years. I believe this says it all when trying to summarize his love for this community and department.

We miss you Chief Simpson.

Respectfully submitted,

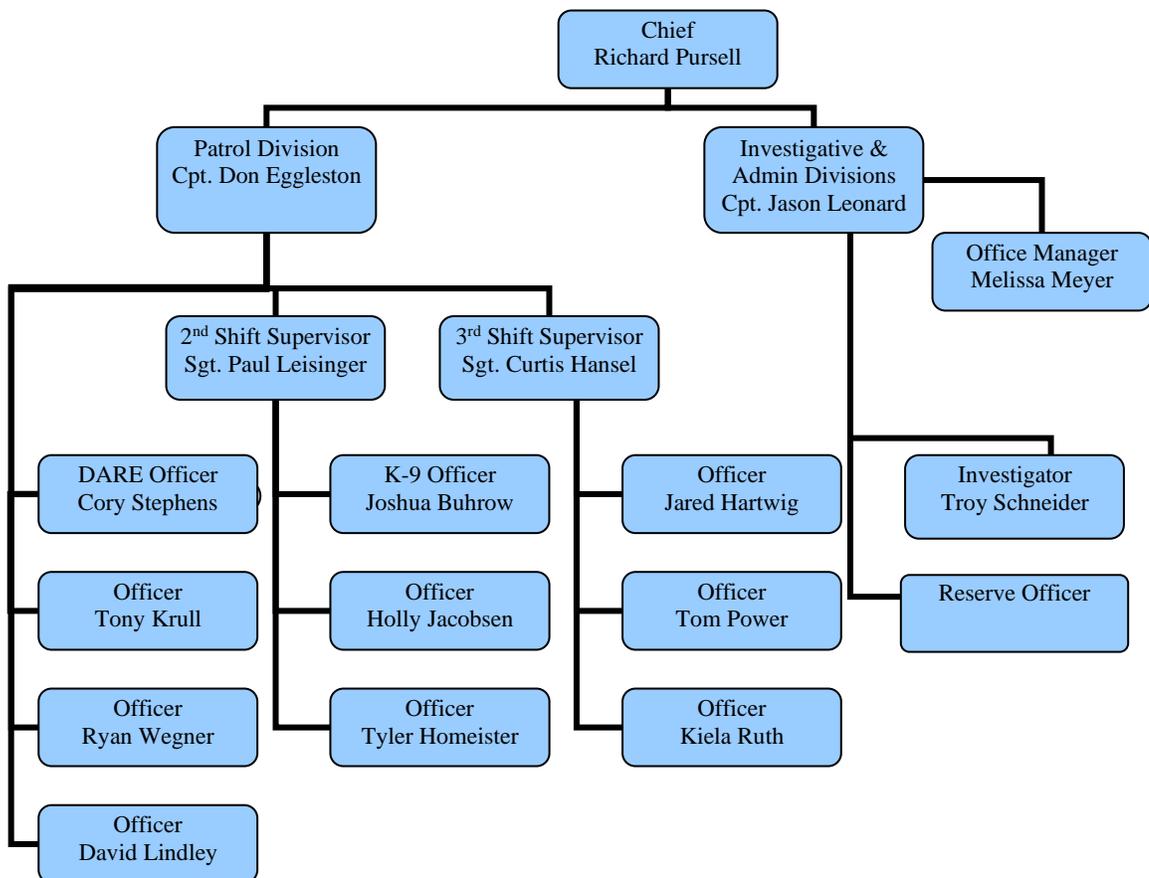

Richard Pursell  
Chief of Police

## Mission Statement:

The Waverly Police Department is a service oriented, public safety organization that is dedicated to serving the citizens of Waverly through the maintenance of order, preservation of civil rights and the impartial enforcement of laws. The Department will accomplish these mandates by requiring the highest professional standards of its officers while maintaining constant vigilance in order to balance its legislated powers with its constitutional responsibilities.

## Organizational Chart:

\*Waverly has 16 officers which is 1.6 officers per 1,000 residents. The State of Iowa average is between 1.7 to 1.8 officers per 1,000 citizens, depending on sources. Waverly is below the state average since those numbers are indicating Waverly would have 17 or 18 officers.

### New Employee:

On November 4, 2019 Officer Kiela Ruth joined the Waverly Police Department due to an opening within the department. Officer Ruth graduated from Nashua-Plainfield High School in Nashua, IA.

Officer Ruth served as a Correctional Officer with the Cerro Gordo Sheriff's Office in Mason City, IA prior to joining the Waverly Police Department. Officer Ruth has since graduated from the Iowa Law Enforcement Basic Academy held in Johnston, Iowa. Officer Ruth graduated in the top 10% of her class from the Iowa Law Enforcement Academy.

After a new officer is hired and graduated from the 13-week ILEA Basic Academy they must also go through and be released from the Waverly Police Department's Field Training Officer (FTO) program. The new officers rotate through all shifts and are under supervision of the 3 FTO instructors during this time. The FTO program is 11 weeks or 594 hours depending on their previous experience.

## Training:

Training of personnel is an important part of the ongoing professional development of the officers with the Waverly Police Department. There is a lot of training that is required for the officers to maintain their certification as peace officers. Some of this training includes the Iowa Law Enforcement Emergency Care Provider (ILEECP) and weapons qualification. Scheduling any training is difficult with three shifts and twenty-four-hour coverage. As a result, we are limited as a department to incorporate additional training outside the scope of “required” training, but an expressed effort is made annually to increase this training without adversely affecting the budget.

During the 2019-2020 year the Waverly Police Department logged over 600 hours of training. Below is a list of some of the training the Waverly Police Department attended.

## Drug Take Back Day:

The Waverly Police Department, in partnership with the Drug Enforcement Administration (DEA), has taken an active role in the prescription drug “Take Back” program. In 2019-2020 there was one national dates established where citizens could drop off their unwanted medications. Officers were on hand at the site to assist and answer any questions that may arise. These drugs were then properly disposed of thus protecting the environment and eliminating the risk of abuse or target for potential thefts. The Waverly Police Department continues their commitment to this program every day by providing a prescription drop box at the Law Enforcement Center.

# THE WAVERLY POLICE DEPARTMENT

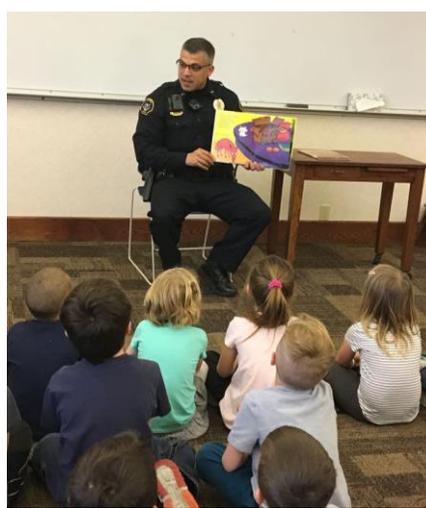

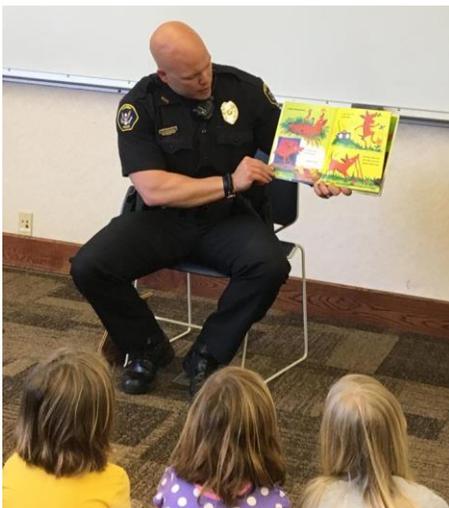

## Bicycle Safety:

The Waverly Police Department works with the Waverly-Shell Rock School District to help teach young riders how to maneuver safely and instills the importance of bicycle safety equipment. To help emphasize the importance of safety equipment, the Waverly Police Department also partnered with Dairy Queen and Unity Point Rohlf Memorial Clinic in order to hand out “tickets” to young bicyclists that are seen wearing their helmets in town. Each “ticket” earns them a free treat at the Dairy Queen in Waverly.

## Celebrity Reader:

The Waverly Police Officers help out whenever the Waverly Public Library calls to assist with their Celebrity Reader program. The Celebrity Reader program is sponsored by the Friends of Waverly Public Library. Hy-Vee provided a tootsie pop treat for each student. The Officers not only read to the kids at the library, but also at many elementary schools and day cares.

## Citizen's Police Academy

The Waverly Police Department started the 10th annual Citizens Police Academy on February 13<sup>th</sup>, 2020 but was unable to finish the full 10-week academy due to COVID-19. We used the time we did have for providing citizens a better understanding of police functions, how policies are developed, the decision-making process, and what an officer experiences on a day to day basis. Sessions are interactive and participants take part in a variety of demonstrations, presentations, lectures, and field trips. Class members

participated in a three-hour ride-along time with a patrol officer to see police work first-hand and close-up. Classes included topics such as 911 Dispatching and Communications; Patrol Operations; OWI Enforcement Procedures; Jail and Booking; Defensive Tactics and Chemical Munitions; Firearms; Criminal Investigations; Search Warrants; Meth Labs; D.A.R.E.; Public Relations Programs; Active Shooter; Canine; Police Training Officer Procedures; and Legal Section.

The Waverly Police Department is equipped with TASER's (TASER is a brand of a Conducted Electrical Weapon), to provide the officers with another less than lethal option. During the Citizens Police Academy eight (8) citizens volunteered to have the TASER deployed on them. Along with every officer on the Waverly Police Department, they got to experience what it would feel like if an officer would have to use a TASER in the field.

## THE WAVERLY POLICE DEPARTMENT

The 2020 Citizen's Academy was not able to have a graduation or finish the last few classes. It is our hope that we will be able to work out a time to get everyone back

together and finish the program out. One of the objectives of the Citizens Police Academy is to provide and offer something to the citizens and there was no doubt the Waverly Officers learned as much from the participants. The participants provided valuable insight into citizens' concerns and perceptions about the police department.

This academy allowed an open forum for everyone to discuss any topic and the police department gave the participants a rare look at what is behind the badge.

### D.A.R.E.:

The Waverly Police Department and the Waverly-Shell Rock School District was celebrating 27 years of D.A.R.E. within the community of Waverly when COVID-19 stopped our ability to teach the program. The Waverly Police Department and the Waverly-Shell Rock Community School District became involved with D.A.R.E. in 1991. D.A.R.E. (Drug Abuse Resistance Education) was founded by Chief Daryl F. Gates (Chief of Police for Los Angeles, CA) in 1983.

The Waverly Police Department is pleased to report that the D.A.R.E. program in Waverly will start again once COVID-19 has cleared. The highly acclaimed program gives kids the skills they need to avoid involvement in drugs, gangs, and violence. D.A.R.E. has proven so successful that it is now being implemented in

75 percent of our nation's school districts and in more than 43 countries around the world. Officer Tony Krull taught the last full D.A.R.E. class with lessons that teach children how to resist peer pressure and live productive drug and violence-free lives. Graduates were able to enjoy pizza prior to heading off to participate in recreational activities at The "W" on Wartburg College. A special "thank you" goes out to the many sponsors that continue to help make this program possible. These sponsors helped with supplies, prizes, and food.

The Waverly Police Department continues to feel D.A.R.E. is an important link between the schools, children, parents, and police.

## National Night Out:

The Waverly Police Department and the community of Waverly participated in the “36<sup>th</sup> Annual National Night Out” crime and drug prevention event. National Night Out, which was hosted by the Waverly Police Department, involved over 15,000 communities worldwide. In all, over 37 million people participated in “America’s Night Out Against Crime”.

National Night Out is designed to: (1) Heighten crime and drug prevention awareness; (2)

Generate support and participation in local anticrime efforts; (3) Strengthen neighborhood spirit and police-community partnership; and (4) Send a message to

criminals letting them know neighborhoods are organized and fighting back.

Residents were encouraged to lock their doors, turn on an outside light and spend the evening with neighbors and police in Kohlman Park in Waverly. Activities included free inflatable games, entertainment, food and information for everyone’s enjoyment. Thank you to all the sponsors who made this evening possible. A special thank you goes to Hy-Vee Food Stores for contributing over 500 hotdogs, buns and condiments.

Chief Richard Pursell said, “This is a night out for the City of Waverly to stand together to promote awareness, safety and neighborhood unity. Police-community partnership and citizen involvement is vital to build a safer Waverly.”

# THE WAVERLY POLICE DEPARTMENT

## Shop with a Cop:

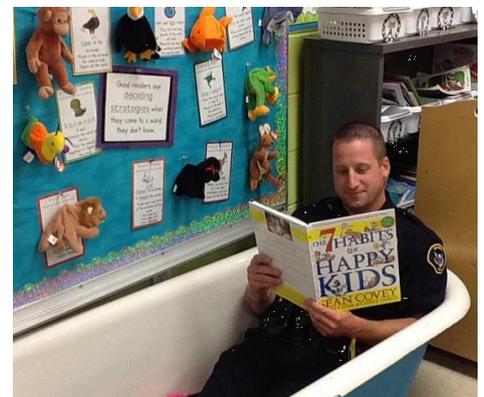

The Waverly Police Department started partnering with Wal-Mart in 2010 to offer “Shop with a Cop”. This program has allowed 76 kids from Waverly to shop with a Waverly Officer and to receive presents to help make it a special Christmas for everyone. This program enables officers to share a little Christmas cheer as well as getting to know some of the most energetic citizens of the community. The positive interaction between the officers and kids last a lifetime.

## Lunch with the Law:

The Waverly Police Department started “Lunch with the Law” in 2007 and has continued offering this important and popular program since the inception. This relationship between the Waverly – Shell Rock School District and the Waverly Police Department has allowed an officer to attend lunches in each of the elementary schools within the school district. The program has been expanded from eating with the elementary kids to providing a program prior to lunch. These programs include such topics as Adult Safety (formally known as stranger/danger) and internet safety.

Waverly-Shell Rock Teacher, *“What a sense of safety you can bring our children because you know them and that will help them to feel safe, even when they are in a situation where another officer may be present instead of you. What an asset you are to us! Thank you”!*

## THE WAVERLY POLICE DEPARTMENT

### Community Builders:

Each year the Waverly Police Department joins Wartburg College, Waverly-Shell Rock Middle School, St. Paul's and adult volunteers from the local area for Community Builders. This program is focused on discussions and activities pertaining to service-learning and civic responsibility. This year the Community Builders helped the Waverly Police Department package items to hand out during the Jack-O-Lantern Night in downtown Waverly.

# THE WAVERLY POLICE DEPARTMENT

## Salvation Army

The Waverly Police Department assists with the local collection for the Salvation Army. The Waverly Police Department is also the local distributor of the Army Salvation funds and the Bremer County Emergency Crisis Fund.

## Community Support:

Customarily when things happen at the national level, the Waverly Police Department doesn't jump into the fray as it is difficult to respond to the actions of roughly 750,000 officers or the policies of approximately 18,000 agencies. We evaluate the information when it has all been provided and process the incident within our department to extract the items to be learned. There have been several negative incidents this past year that our Officers see as a betrayal of their commitment to fairness and the trust we work hard to earn from each of you. We will continue to put our energy into building relationships in the community while ensuring that our policies, practices, and oversight are worthy of the community's trust.

Thank you for the "High Fives" West Cedar 2nd Graders!

## THE WAVERLY POLICE DEPARTMENT

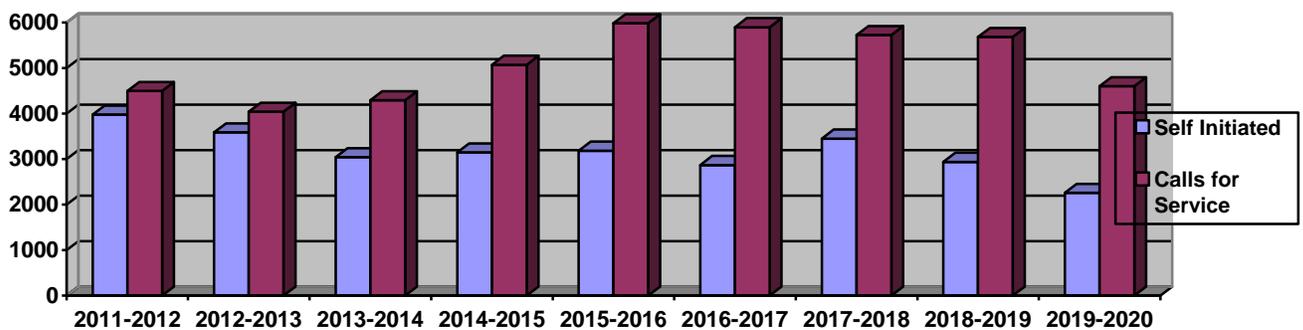

Reported Calls are those calls funneled through the Law Enforcement Communications Center. These calls could be from a walk-in, phone call, initiated by officers or dispatched calls to the department.

Calls for Service are those calls that required documentation for future reference.

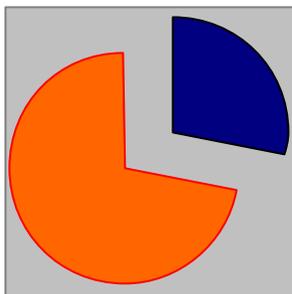

Self-Initiated Calls are those actions of the officers when they issue citations, warnings and parking tickets.

These categories only reflect the activity of the officers and do not include the day to day operations of the police department administration.

During 2019-20 the Waverly Police Department logged 8,897 Reported Calls. The average time per call, for 2019-20, was 39.76 minutes per call. The officers were “on scene” or out of service on a reported call for 240,870 minutes or 4,015 hours. Once cleared from the scene, each of the reported calls may take anywhere from 15 minutes, several hours or days to complete depending on the required follow up and paperwork.

Not every reported call or call for service results in an arrest or prepared report. During 2019-2020 there were 4,593 Calls for Service and 2,940 Self-Initiated Calls.

■ Citations  
■ Warnings

The Waverly Police Department continues its efforts to enforce our traffic laws through education and citation. Our goal is to decrease traffic violations and accidents to protect all citizens. Our agency is fair and impartial in our education/enforcement efforts. Contrary to public perception about all law enforcement, our officers are fair and take pride in their enforcement efforts and understand that many times education by communication and a warning may go further than a citation. In 2019-2020, 72% of all traffic stops resulted in a written warning. This does not represent the

number of verbal warnings that were issued during the same time period.

## THE WAVERLY POLICE DEPARTMENT

### Uniform Crime Report:

Uniform Crime Reports are those calls for service that were serious enough for our officers to prepare a Uniform Crime Report (UCR). The UCR report is a nation-wide reporting program facilitated by the Federal Bureau of Investigation. The FBI is tasked with collecting, publishing and archiving these crimes. UCR reports are broken down into group A and group B offenses. Generally speaking Group A offenses are more serious while Group B offenses are less serious or more difficult to classify.
