

WAVERLY AIRPORT COMMISSION

Minutes for Thursday, March 14, 2002, 7 P. M.

1. Call to Order: Bruce Ecker, Chairman
Bob Niederhauser, Vice Chairman
Norman Mutchler, Commission Member
John Yost, Airport Manager
Brenda Yost, Airport Manager
Mike Cherry, City Engineer

Absent: Janice Johnson, Secretary
Guests: Fred Krumwiede
Rob Garber

2) Approval of Minutes: Minutes had been distributed to the commission. Norm Mutchler moved that they be approved as written, seconded by Bob Niederhauser, motion carried.

3) Financial Report: Financial information dated 2/28/02 was reviewed and placed on file.

4) The commission reviewed a letter in response to the application to use funds from the aviation trust fund to acquire land for the 18/36 runway. The letter stated that an environmental impact study must be completed prior to land acquisition and included a recommendation that safety improvements to the current runway 11/29 be pursued first. Mike Cherry suggested that the application could be revised to include the environmental assessment as the first phase of the application and land acquisition the second phase. A motion to respond with a letter revising the application was made by Bob Neiderhauser, seconded by Bob Bauman, motion carried.

5) Rob Garber from CGA associates fielded questions from the Commission on the layout plan.

6) The commission heard comments from Fred Krumwiede. Fred stated that he had reviewed the airport layout plan and did not feel that the costs for land acquisition represented a fair value for the land. He also did not feel the airport expansion was in the best interest of the community with the Waterloo airport in close proximity. Fred informed the commission that he was the owner of the field North of the airport. This was a change from the information in the airport layout plan. Fred stated that he was not interested in selling his land for the 18/36 project.

Meeting adjourned.

Bruce Ecker
Chairperson
