4th Street SW & 10th Street SW Reconstruction

The reconstruction of **4th Street SW**, from near 3rd Avenue SW to 8th Avenue SW, is scheduled for the summer and fall months of 2020.

Work will include the total replacement of the roadway, including the water, sewer and storm utilities.

View of existing 4th Street SW

The reconstruction of **10th Street SW**, from West Bremer Avenue to 2nd Avenue SW, is scheduled for early June to mid-August during this summer’s school break. Work will include the total replacement of the roadway, including the water, sewer and storm utilities. During construction the roadway and driveways will be closed.

When visiting adjacent businesses, look for signage that directs you to the appropriate entrances. As an example, the DaVita Dialysis facility will be accessed through the Meyer Pharmacy / Sasquatch Jacks parking lot.

View of proposed roadway with turn lane

The new concrete roadway on 4th Street SW will match the road width and 3-lane configuration of the newer north section that was completed in 2014 near Dairy Queen (shown above).

The middle, left-turn lane will make the corridor more efficient, safer, and reduce rear-end collisions.

View of existing 10th Street SW

20th Street NW Reconstruction

The 20th Street NW Improvements project is on the west side of Bartels Lutheran Retirement Community from 5th Avenue NW to just north of the railroad crossing.

Work is scheduled to begin this summer and will take approximately 12 weeks to complete. The project involves the total reconstruction of the road and will require the detouring of traffic. When visiting Bartels look for signage that directs you to the appropriate entrances.

Water, Sewer and Solid Waste Rate Increases

Starting in June 2020 the City of Waverly will implement 2.5% water and 5.0% sewer rate increases. The water rate increase approximates the rate of inflation and the higher sewer rate increase is necessary to cover the cost of the \$9.1 million Water Pollution Control Facility project that will begin construction in 2021.

Also, the monthly garbage charges are increasing about 3% in July 2020. And due to increased recycling costs, the rental of the residential recycling containers will be increased \$0.40 in July 2020 to help cover this expense.

Example of Rate Increases for July 2020

Utility Services	Typical Residential Customer Usage	Monthly Increases
Water	600 cu. ft. (4,500 gal.)	\$ 0.72
Sewer	600 cu. ft. (4,500 gal.)	\$ 1.68
Garbage	35 gal. wkly. container	\$ 0.40
Recycling	35 or 65 gal. container	\$ 0.40
Total Monthly Increases		\$ 3.20

Yard Waste Site

Waverly's Yard Waste Site will open for the 2020 season on March 30th, weather and site conditions permitting. The yard waste processing facility is located north of the Recycling Center at 2800 5th Avenue NW. Leaves, grass clippings, garden waste, and kitchen scraps (no dairy or meat products) are processed into compost. Trees, branches and woody material are shredded into wood mulch.

There is no cost to drop off yard waste, and the finished products of compost and mulch are free to Waverly residents.

The City will have equipment available to load wood mulch onto pickup trucks or trailers from 1:00 – 3:00 p.m. on Fridays.

Compost will not be loaded by the City and must be hand shoveled. See Page 4 for information on having wood mulch and/or compost delivered to your property.

Yard Waste Site & Recycling Center Schedule for 2020

	Open (excluding Holidays)	Days & Hours	
Yard Waste Site	March 30 th – November 21 st	Mon. – Fri.	7:00 am – 5:30 pm
		Saturday	8:00 am – 4:00 pm
Recycling Center	All Year	Mon. – Fri.	7:00 am – 5:30 pm
		Saturday	8:00 am – 4:00 pm

Yard Waste Site Information

SPECIAL COLLECTION SCHEDULE

The City of Waverly has scheduled Special Collection Week for the removal of large, bulky items the week of April 27–May 1. Also, free yard waste collection will be for two weeks from April 27 – May 8. (The normal \$25 Special Collection fee is waived during these 2 weeks.) See details below. For questions, call 319-352-9065 or 352-6247.

Special Collection Schedule				
Monday	Tuesday	Wednesday	Thursday	Friday
<u>April 27</u> Bulky Items & Yard Waste	<u>April 28</u> Bulky Items & Yard Waste	<u>April 29</u> Bulky Items & Yard Waste	<u>April 30</u> Bulky Items & Yard Waste	<u>May 1</u> Bulky Items & Yard Waste
<u>May 4</u> Yard Waste	<u>May 5</u> Yard Waste	<u>May 6</u> Yard Waste	<u>May 7</u> Yard Waste	<u>May 8</u> Yard Waste

DETAIL INFORMATION ON SPECIAL COLLECTION WEEKS

- Bulky items** will be picked up from your curb at the regular landfill charge rate during the week of **April 27 – May 1**. Residents who want to take advantage of this program will need to pay prior to April 27th at the Public Works office in City Hall (200 1st Street NE) or at Public Services (2900 5th Avenue NW) for each bulky item to be picked up. Only items that are paid for in advance will be picked up. Below is a sample list of bulky items and fees:

Appliances (refrigerator, stove, etc.).....	\$ 15.00 each
TV & Computer Monitor.....	\$ 12.00 - 22.00 each*
Furniture, Computer, Printer.....	\$ 5.00 each
Gas Grill, Lawn Mower, Bike, etc.....	\$ 3.00 each
Tires (no rims).....	\$ 5.00 - 30.00 each*
Carpeting.....	\$ 15.00 per cu. yd. (or approx. 300 sq. ft.)

*Fee is based on size.

- Yard waste** (leaves, grass clippings, and garden waste) is to be placed in biodegradable bags. Bags must be factory labeled as biodegradable or yard waste bags. The biodegradable bags of yard waste will be collected during the 2 weeks of **April 27 through May 8**. Please have your bags placed at your curb on your garbage day. Biodegradable bags can be purchased at local retail stores. There is no charge for the collection of yard waste during these 2 weeks.
- Brush and sticks** must be tied into bundles that are no larger than 4 feet in length, 1½ feet in diameter and weigh no more than 50 pounds. Please have your tied bundles placed at your curb on your scheduled garbage day during the 2 weeks of **April 27 through May 8**. There is no charge for brush collection during these 2 weeks.
- Your **City-owned garbage container** is required for garbage that can be collected by the garbage truck on your normal garbage day. Any extra garbage (or overflow) needs a \$2.00 garbage tag per 35-gallon bag and it is to be placed next to your container or if possible, directly on top of your container. Please make sure the garbage tag is visible to the garbage collector.
- No demolition or construction material**, such as sheetrock, shingles or wood, will be picked up under this Special Collection Week program. A dumpster can be rented for removal of this material. Call 352-6247 to rent a dumpster.
- Household hazardous materials** (oil-based paints, pesticides, garden chemicals, fluorescent tubes, etc.) will not be picked up. Please take these items to the Bremer County Hazardous Waste Site located at 2049 200th Street, Waverly. There is no charge to drop off hazardous material, but Bremer County would like you to call 352-4574 before taking your items to this site. Latex paint is not considered hazardous and therefore is not accepted at the Bremer County Hazardous Waste Site. Latex paint must first be dried. The dried paint and paint containers can then be placed in with your regular garbage. The Home Depot in Waterloo accepts the compact fluorescent light bulbs (CFLs).
- Check with your pharmacy on properly **disposing of medicines and prescription drugs**. These should not be flushed down the toilet or placed in your garbage.

Delivery of Wood Mulch & Compost

CITY OF
WAVERLY
 Department of Public Works

This spring the City of Waverly is offering the delivery of **wood mulch and compost** for the prices listed below to homes and businesses within City Limits. Additionally, the City can load mulch onto private vehicles from 1:00 p.m. – 3:00 p.m. on Fridays. The City cannot load compost onto trailers or pickups due to its weight and the potential risk of damaging the customer's vehicle. Compost must be hand shoveled. Call 352-6247 for more information.

Mulch: \$25 for 3 cubic yards
Compost: \$25 for 2 cubic yards

Mulch: \$30 for 6 cubic yards
Compost: \$30 for 4 cubic yards

Mulch: \$35 for 12 cubic yards
Compost: \$35 for 8 cubic yards

- ❖ One cubic yard of mulch covers an area of approximately 100 square feet at 3 inches thick.
- ❖ Compost has not been screened and may contain sticks and some foreign debris.
