Jim Schutte, manager of the Waverly Ambulance Service met with the board and requested they consider allowing them to connect to the Mobile Data Network. He explained the advantages of having the EMS function of this network. Mr. Schutte advised he has contacted Shield Technology and would be billed directly through them at no cost to the Law Board.

Nate Koehler, Bremer County IT was also present and explained how the Waverly Ambulance Service could possibly connect via a secure remote access server. He explained that any costs would be paid for by the Waverly Ambulance Service. He will continue to research the secure connection and report back to the board.

The board agreed that this would be a valuable network for EMS and advised they could move forward and report back once they have more information on the secured connection information.

Sheriff Pickett presented a list of month bills. **Mr. McKenzie moved to pay as presented, 2<sup>nd</sup> by Mr. Kammeyer; All ayes; motion carried.**

Chairman Neil set the next meeting for April 11, 2016.
