Ryan McKenney from Burrier Plumbing & Heating was present to discuss water pressure issues and waterline issues. Mr. McKenney explained to the board that water pressure coming into the building is over 80 pound of pressure and the jail valves are rated at a max of 60 pounds of pressure. He stated he has repaired many hot water lines due to the pumps running continually to have hot water throughout the building. Mr. McKenney had three proposals to reduce the number of service issues. The first proposal was to put a pressure reducing valve on incoming waterline with an estimate of \$2,450.00. The second proposal was to replace circulating pumps and add a circuit solver to the hot waterlines with an estimate of \$2,640.98. The third proposal was to replace waterlines though the squad room area and office areas with Pex with an estimate of \$750.00. **Ranard moved have all three proposals completed by Burrier Plumbing, 2nd by Drenkow. All ayes; motion carried.**

Sheriff Pickett presented a list of monthly bills. **Hildebrandt moved to pay as presented, 2nd by Ranard. All ayes; motion carried.**

The next meeting will be June 14, 2021.

Drenkow moved to adjourn.

Respectfully,

Dan Pickett
