LEISURE SERVICES

A Decade of Dedication Deserves a Standing Ovation!

After more than 10 years of dedicated service on the Leisure Services Commission, we extend our sincere thanks and appreciation to our departing commissioner, Joel Johnson for his time, commitment, and contributions to the Waverly community.

Throughout his years of service, he helped support improvements to our city parks and recreational projects, leaving a lasting impact on the community and the spaces residents enjoy.

His dedication extended beyond the commission table. As a loyal volunteer at the annual Candlelight Walk, he made sure our furry four-legged friends stayed hydrated and enjoyed a few treats along the way!

We are thankful for his willingness to give back, and his community spirit. His contributions have made a difference, and he will certainly be missed!
