## Longer days means more time for fetch!

Come out and enjoy the Waverly Bark Park with your favorite furry friend.

**Please remember to be responsible:**

- Keep sick or vulnerable dogs at home. Dogs should be at least 4 months old to use the park and current on all vaccinations.
- Stay close and keep an eye on your dog. Owners are legally responsible for the behavior of their dog (s) at all times.
- Dog treats and human food should NOT be brought into the park as it could cause aggression in other dogs.
- Humans MUST be 8 years of age or older to enter the park and 15 years of age to bring a dog to the park.
- Leave no trace behind. Waste bags and receptacles are provided.
- Bring a ball, but be prepared to lose it.

# Nothing but NET

Both Eastgate Park and First Home Park received a new basketball hoop thanks

to the help of the **Bremer Co.**

**Community Foundation of NE IA.**

These upgrades have made a meaningful impact on our neighborhoods—helping create a safe place for the community to get outside, enjoy the parks, and connect with one another!
