2024 GRANT UPDATES:

JUHL PARK received some very nice updates
thanks to the help of the Bremer County
Community Foundation: a new climbing wall,
new swing belts and a new adjustable
basketball hoop. These updates help make
the playground more accessible for
users of all ages and abilities.

THANK YOU!

Community Foundation!

KOHLMANN PARK POWER ENHANCEMENT

With the generosity of the Bremer
County Community Foundation
Kohlmann Park has received power
upgrades to allow events to spread throughout the park and closer
to the amphitheater. The upgrade will allow for more attractions
without risking blown breakers and will deliver the most potential
for the community to utilize!
