## JANUARY IN REVIEW

Take a look at some of our favorite moments from the new year so far!
**Left:** The Teen Advisory Board made some sticky note art in the teen section.
**Bottom left:** The DIY craft for January was felted succulents, which were so adorable!
**Bottom right:** We had an amazing turnout for the puzzle competition.

## NEW BOOK HIGHLIGHT

February's new book highlight is "Mythos: The Greek Myths Retold" by Stephen Fry. Goodreads' summary states: You'll fall in love with Zeus, marvel at the birth of Athena, wince at Cronus and Gaia's revenge on Ouranos, weep with King Midas and hunt with the beautiful and ferocious Artemis.Thoroughly spellbinding, informative and moving, Stephen Fry's Mythos perfectly captures these stories for the modern age - in all their rich and deeply human relevance.
