This November, practice an attitude of gratitude! Learn what gratitude is all about, practice expressing gratitude to yourself and others, and get book recommendations for all ages. Log your reading and complete activities to earn badges all month long. NEW DATABASE OFFERING

Brainfuse HelpNow is now available for free with your library card! This is an online learning platform for users of all ages. Students can communicate with live tutors using an interactive white board to chat, write, draw, insert text or images, and graph homework problems. Also offering detailed feedback through the Writing Lab, study tools in LEAP, US Citizenship and GED test prep, and more, this is a powerful tool for all learners! Go to the "Research Databases" page of our website to check it out.

AMERICAN GIRL DOLLS

We have two new American Girl Dolls in our collection! Emerson is a Wellie Wisher doll who comes wearing a unicorn ballet outfit. Maryellen is a bold, 1950s-era girl. Karen Wentworth and Sue Jacobson have kindly created custom outfits for both dolls, so each one comes with a complete wardrobe. Thank you to these talented volunteers!
