**What's your earliest library memory?** I lived North of Newton out in the country. We had a blue bookmobile that came to a church about a mile away. At that time, I was living with my Grandma and she lived only 1/4 of a mile away from the church, so either she would take me or I would ride my bike. I remember going inside and there being books on both sides of it and the same man always drove. All the neighborhood kids would be there. When it was time to go home, I always had to walk my bike back because I had too many books to ride!!

**What would you be doing if you weren't a librarian?** I think I would be studying to be a vet technician because I love animals so much!

**What's your favorite section in the library?** New Books definitely!!

**What's your favorite book (or genre)?** My favorite book at this time in my life is *Buddy: The Rooster that made me a Family Man* by Brian McGrory. It's a true story and I find it interesting how the author compares his life to that of a rooster and his new home and new life. He has an instant family.

# 50 States

# 50 Books

How does it work? First, sign up for the program at the Info Desk. Fifth graders and above are eligible. Then, start reading!

Our United States map is divided into regions:

- West (plus Alaska)
- Northern Rockies
- Southern Rockies (plus Hawaii)
- North Central
- South Central
- Northeast
- Southeast

For each of the 50 states, read a book set in or written about that state. As you finish each book, come in and put that state's sticker in your passport. For each region completed, you earn a prize.

Complete the program for a special prize!

Questions? Ask a librarian!

*(Only books read after you sign up for the program will count).*
